1. ORDER YOUR EVOcard

Just login at Genomics Shopping 2.0 and select “Order EVOcard” under “Select Products” on the top of the page. Enter a name and the amount of money you wish to deposit on your EVO-card and press “Order now”.

2. PAY FOR YOUR ORDER

Once you checkout the products in your cart, you reach the “Summary & Payment” page, where you automatically see the current deposit of your activated EVOcard(s).

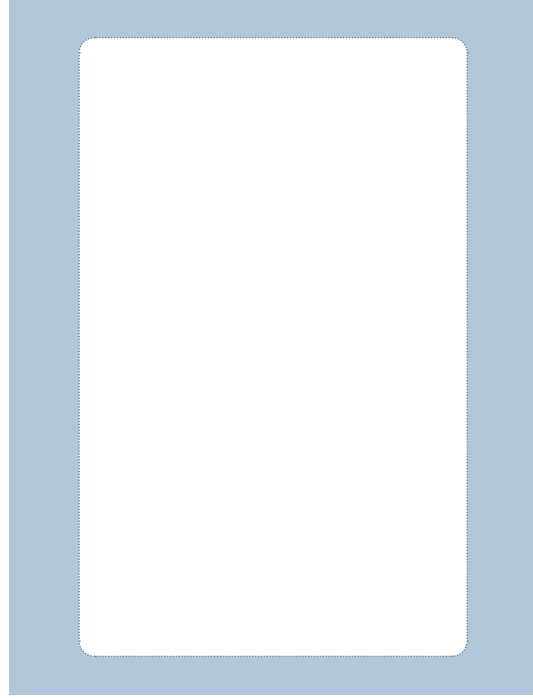

3. TRACK YOUR TRANSACTIONS

Click on “Balance Overview” in the EVOcard order menu. You can find all past order details and actual credit of your EVOcard.

4. REFILL YOUR EVOcard

You can refill your EVOcard at any time. Just click on “Refill EVOcard” in the order menu or on “My EVO-cards” in your account and enter the new deposit amount.

More Flexibility and Convenience for your Research.

THE EUROFINS GENOMICS EVOcard

is a prepaid card similar to prepaid credit card. With your EVOcard, you can pay for all your online orders. The EVOcard is real value for money.

It allows you to conveniently manage your research budget by providing an up-to-date balance overview. Through collective use of the EVOcards by members of your research team, you can consolidate your research funds and use it for the projects you choose.
